Dear Geof

As part of our monitoring and reporting process, I have pleasure in letting you know that your support in 2017 went towards providing 140 children and young people who have complex disabilities or life limiting conditions, with regular exciting group activity clubs.

These clubs also provided 433 parents, main carers and siblings with vital respite away from the home, thereby preventing crisis, helping to keep families together.

As a small independent charity, without the wonderful generosity from friends in the community, BOSP would not be have been able to provide these services.

So thank you once again, your continued support is very much appreciated by the staff, volunteers and families who use BOSP's services.

Yours sincerely
